

Green Chemistry & Commerce Council
Advisory Committee Call
April 13, 2012

Present: Monica Becker, Monica Becker & Associates; John Frazier, Nike; Barbara Hanley, Hewlett Packard; Al Iannuzzi, Johnson & Johnson; Rich Liroff, Investor Environmental Health Network; Roger McFadden, Staples; Sarah Shields, Lowell Center for Sustainable Production (LCSP); Joel Tickner, Lowell Center for Sustainable Production; Ken Zarker, Washington State Department of Ecology

The GC3 Advisory Committee discussion focused around the following topics:

Outreach for GC3 Roundtable Participants

- Al will reach out internally as well as to SC Johnson and Five Winds
- Barbara will reach out internally as well as to Apple
- Barbara will reach out internally as well as to IBM

Potential Locations for Next Year's Roundtable

- New Jersey: J&J
- New Hampshire: Timberland
- North Carolina: VF
- Washington: Co-Host with WA State

Potential New Project Group Topics

- Hazard vs. Risk
- Bio Materials
- Harmonization of Information in Reporting

Policy for Trade Association as Members

- "Trade Associations are welcome to participate in GC3 activities such as meetings and webinars, however GC3 membership will be offered to individual members of the trade association rather than the trade association as a whole."
