

**GC3 Advancing Green Chemistry Education group
Call Minutes
August 26th, 2013 (11-12 PT/2-3 ET)**

On call: Amy Cannon, Ann Blake, Jonathan Rivin, Nancy Simcox, Joel Tickner, Saskia van Bergen

Green Chemistry/Safer Alternative Webinars (Tier 1)

The Value of Green Chemistry

October 2013

Moderator- Amy or Joel

- Why green chemistry? (overview) – Amy or Joel
- Examples- 3 business case studies- Formulator, Chemical Start-up, Product manufacturer (5-7 minutes each)
 - i. Designing a new chemical/product/process
 - ii. How to bring product to market
 - iii. Challenges faced/benefits from design to sale
- Panel of the 3 speakers with targeted questions
- Questions from Audience

Action items:

Develop targeted Questions- email questions to Saskia- **All**
Contact speakers and update Saskia-
Genentech (Tse-Sung Wu)- **Joel**
Elevent (Andy Shaefer)- **Amy**
Intel (Kinney?)- **Ann**

Backup suggestions- BioAmber (Tara Mullen)
Segetis
Nike (John Fraser)

Toxicology and Why You Should Care

January 2013

- What can/can't science tell you?
- How is it relevant to you? Bigger picture.
- Could it cause harm?
- How toxicology relates to green chemistry
- How to integrate and do prevention
 - i. What to do with data?
 1. example of a hazards assessment

Action items:

Contact speakers-

Wendy Heiger-Bernays Burnett (BU) - Joel
Cal Baier-Anderson (EPA) – Ann
Steve Gilbert (INND) - Nancy
Industry suggestions- All

Other ideas:

Bob Boesling (sp?) (EPA)
Nick Anastas (EPA)- too molecular?
Pamela Spencer (Dow)

Overview of Decision Tools in Green Chemistry and Alternatives Assessment March 2013

- Overview of Decision Tools in Green Chemistry and Alternatives Assessment
- Presentation of tools one can use to assess products/processes

Widest Overview

Sally Edwards
Libby Sommers
Ann Blake

Other ideas:

Meg Whittaker
Lauren Hein

Action items:

None

GC3 education position statement- contacting C&EN- Amy sent email

Future Housing for Extension Certificate/Bootcamp Training

Jonathan suggested including technical assistance to multi-track bootcamp audience.

Jonathan thought Wisconsin Institute for Sustainable Technology could be interested in bootcamp.

Both Jonathan and Nancy interested in talking more about the bootcamp.

Nancy to talk internally about Extension hosting feasibility.

For the Extension program, not possible to have multiple hosts for the same content.

Action items:

Invite Nancy and Jonathan to DropBox- **Saskia**
Extension program discussion- **Ann/Nancy**

Next Meeting Date- doodle to be sent out.
