GC3 Green & Bio-based Startup Network Members

The [GC3 Green & Bio-based Startup Network](#) consists of startups and small companies developing innovative green and bio-based chemistry technologies and solutions. This Startup Network is a focused group within the GC3 community and is open to members of startups or small companies developing green and/or bio-based technologies.

If you would like to join the Startup Network, we will need the following additional information.

To list your company on the [Startup Network page](#), please provide us with:

1. A one sentence description of your company (no more than 20 words):
2. Any keywords you would like to associate with your company (e.g. polyol, biopolymers, flavor, fragrance, plasticizer, etc.) - we will be building a search function on the member page as the network grows.
3. A square (or close to square) copy of your logo. Please send directly to jennifer_landry@uml.edu.

If you have any questions about the GC3 Startup Network, please contact Laura (laura_hoch@uml.edu).

GC3 Member Tiers

Select	Tier	Organization Type	Dues Rate
	5	For-profit entities exceeding \$1 billion	\$7,500
	4	For-profit entities between \$10 million and \$1 billion	\$4,000
	3	For-profit entities less than \$10 million	\$1,500
	2	Consultants and small businesses	\$600
	1	Not-for-profit entities	\$350

Membership Information: Dues are based on annual revenue or the size of a company's operating budget. Participating companies are highly encouraged to pay the dues level proportionate to their assets to ensure adequate funding for ongoing GC3 activities, but if this amount presents a hardship, a minimum dues level of \$750 will be accepted. Only one membership per company is required.
