

GC3 Green Chemistry &
Commerce Council

Event Sponsorship Form

The continued success of the Green Chemistry and Commerce Council (GC3) relies on the support of participating companies. Please consider sponsoring the GC3 Innovators Roundtable to be held Palo Alto, California, May 11-12, 2011. Sponsorships will be used to offset costs associated with the roundtable, and GC3 operating costs in the coming year.

Event sponsors at the Platinum, Gold, and Silver levels are entitled to complementary registration(s) for their attendees. **Please select a sponsorship level and return this page with one registration form per representative from your company planning to attend the meeting** to Melissa Coffin (see full contact information below).
