

Demonstrate Your Leadership in Sustainable Chemistry Sponsor the First GC3 European Innovators Forum

The first GC3 European Innovators Forum, built on the success of the Innovators Roundtable series, offers a dynamic space for business leaders to exchange strategies and best practices on accelerating sustainable chemistry innovation and adoption. This virtual gathering will present a unique opportunity for businesses to connect across supply chains and sectors and encourage dialogue among attendees long after the forum ends, sparking new potential partnerships and collaborative projects.

Sponsoring the GC3 European Innovators Forum will give your company an opportunity to demonstrate its commitment to sustainable chemistry and raise its profile as a leader in sustainability to customers, suppliers, and other stakeholders. Check out our sponsorship opportunities below; we'd love to have you as part of the team!

Sponsor one week - \$3,000 | Sponsor both weeks - \$5,000

Your company will receive the following benefits:

- Company profile added to GC3 website: Name, Logo, Description, Website, Social Media Links, and Downloadable PDF
- Highlighted in weekly promotions to targeted audience of over 2,000 interested in sustainable chemistry
- Highlighted as sponsor throughout sessions of sponsored week(s)

Contact us at gc3info@greenchemistryandcommerce.org for more information on sponsoring!
